

Imagine *A Career in the North You Love*

Life in Canada's North

Northwestel is a northern telecommunications company that provides innovative Voice, Wireless, TV, Internet and Business Solutions to more than 110,000 residents in the Yukon, Northwest Territories, Nunavut, and northern British Columbia and Alberta – connecting them with the world.

Join Our Team

A career with Northwestel is an opportunity to join a **dynamic, enthusiastic** and **passionate**, customer-focused team. Just as important, is the unique opportunity to make Canada's North - and some of the most beautiful and untamed wilderness regions of this vast country - your home.

Northwestel believes our employees are our greatest competitive advantage. We strive to attract, retain, train and develop skilled and knowledgeable employees who will represent the diversity of the communities that we serve. Our company offers an attractive compensation and benefits package. As part of our Employment Equity program, candidates are encouraged to identify at the time of application if they belong to one of the four designated groups in order to qualify for priority consideration.
