

Medical Advisor, Occupational Health and Safety Service

Consider joining the growing health care system in Northern Ontario!

Status: Part-time – (total monthly commitment is approximately 20 hours)
Term: 1 Year Term – (with option to renew)
Site: Ramsey Lake Health Centre
Department: Occupational Health and Safety Service

Position #: 13-0281

HSN is seeking a Medical Advisor, Occupational Health and Safety Service to act as a consultant and advisor to the team and to assist in the delivery of employee injury/illness prevention and management initiatives.

Reporting to the Corporate Safety Specialist, the Medical Advisor, Occupational Health and Safety Service, will work in collaboration with the Occupational Health and Safety Nurses and the Occupational Health Advisors on employee health and safety issues – occupational and non-occupational disability management, toxicology, the recognition, evaluation and treatment of occupational exposures, injuries and illnesses, medical surveillance, pre-placement employee immunization and testing, and workplace accommodation.

The successful candidate will be a physician from the HSN medical community, who maintains active privileges and an independent CPSO license. He/she will have proven clinical and administrative skills, and demonstrated experience and/or academic preparation in Occupational Health and Safety as well as familiarity with the legislative drivers that govern the operation of the Service. Bilingualism is an asset.

A maximum annual remuneration of \$30,000 is available to the Medical Advisor and is intended to compensate for the uninsured services described above.

Interested applicants are asked to apply directly to Posting # 13-0281 on the HSN Careers Website at www.hsnsudbury.ca. HSN thanks all interested applicants; only those selected for an interview will be contacted. A full job description is available upon request.
